October is Fire Prevention Month... HAVE 2 WAYS OUT!

The _____ Family's

Fire Safety Checklist

Rabbits build their burrows with **2 WAYS OUT** so they'll always be able to escape if they sense danger. You need to be ready, too. You can do that by having 2 ways out of every room in your home in case there's a fire. **NOW HOP TO IT and GET A JUMP ON FIRE SAFETY.**

CHECK OUT SPARKY.ORG FOR MORE FUN!

- ☐ Do you have working smoke alarm on every level in your home and inside every bedroom?
- ☐ Does a grown-up test your smoke alarms at least once a month?
- ☐ Are your smoke alarms less than 10 years old? (If they are more than 10 years old, you need new ones.)
- ☐ Do you know the sound of your smoke alarms?
- ☐ Does your family have a home fire escape plan?
- ☐ Do you know two ways out of every room?
- ☐ Does your plan have an outside meeting place?
- ☐ Does your family have a fire drill at least twice a year?
- ☐ Does everyone at home know how to call the fire department once they are outside?
- ☐ Do you get outside and stay outside if the smoke alarm sounds?

If all boxes have **YES** checked, your family is rabbit ready. If there are some boxes checked **NO**, ask a grown-up to help you fix the problem.

SPARKY IS A TRADEMARK OF THE NFPA.

If there is ever a fire, and your first way out is blocked, you can use your second way out.

The reality is that when fire strikes, your home could be engulfed in smoke and flames in just a few minutes.

NFPA **How to Make a Home Fire Escape Plan**

- ☐ Draw a map of your home. Show all doors and windows.
- ☐ Visit each room. Find two ways out.
- ☐ All windows and doors should open easily. You should be able to use them to get outside.
- ☐ Make sure your home has smoke alarms. Push the test button to make sure each alarm is working.
- ☐ Pick a meeting place outside. It should be in front of your home. Everyone will meet at the meeting place.
- ☐ Make sure your house or building number can be seen from the street.
- ☐ Talk about your plan with everyone in your home.
- ☐ Learn the emergency phone number for your fire department.
- ☐ Practice your home fire escape drill!

☐ Make your own home fire escape plan on the back of this paper.
